### CONFERENCES

Abu Dhabi Air Expo will see a significant expansion to the show, by introducing new conferences dedicated to ongoing challenges for the aviation industry.

In addition to the main exhibition area

- Maintenance Automation through Digitization
- Recovery prospects
- Workforce : Preparing the future
- Develop local talent
- Sustainability Aviation Forum : how new technologies can be used in the aviation industry

Abu Dhabi Air Expo features high quality personalized chalets and a static display of all the latest aircraft on the market ranging from ultralights to business jets and helicopters, 2022 expects to welcome more than 100 aircraft on the static display.

## NEW IN 2022

### The Future of Aviation

#### The world's largest e-aircraft display

In today's world of aviation, there are numerous projects focused on the future of flying.

Abu Dhabi Air Expo 2022 will showcase the largest static display in the world of E-Generation Aircraft.

Examples of these include Electric, Gas Turbine, Biofuel, Hydrogen, Hybrid and many more.

**The Abu Dhabi Air Expo 2022 will offer the perfect platform to showcase the UAE'S strength and support in the E-Generation!**

### Abu Dhabi Air Expo media

Abu Dhabi Air Expo ensures widespread media coverage and exposure on both a local and international scale prior to and during the event. Media coverage ranges from show dailies, local TV, radio, aviation magazines and newspapers.
