CONTRACTOR FORM

.....
EXHIBITING COMPANY NAME:

.....
CONTRACTOR COMPANY NAME:

.....
NAME OF THE RESPONSIBLE CONTRACTOR:

All contractors and vehicles which present themselves to the ADNEC Holding Areas, Access Gates or Loading Bays will be required to adhere to the process and will be liable for any subsequent charges. ADNEC Security and Traffic teams will administer the access process which will be directly linked with the Ministry of Immigration in order to ensure individuals are legally entitled to work within the United Arab Emirates. The process and charges will apply to all vehicles and individuals without exception.

Exhibitors are required to declare their designated official contractor for the construction of their stands. Failure to submit this information may lead to delays or issues during the setup phase. One team leader must also be appointed as the responsible point of contact. Upon collecting contractors' badges, each contracting company is obligated to furnish a security deposit of AED5,000, which must be provided before the commencement of the build-up. Upon completing an inventory following the dismantling process, this deposit is subject to refund, provided that the area and stand are returned clean and devoid of any debris or waste. Any contractor found on-site without completing the requisite order form or remitting the security deposit will be removed from the premises.
